Yes, we are still on. I spoke to Sue at BBNA and it doesn't appear any local people from Dillingham or the region were on the plane, people are definitely sad and the weather may permit some of the local communities from traveling in. I told Sue that we are still coming and that we would most likely have another session in the next year or two. We may have a small group but that will give us more time for discussion. ; )

Patty - given the awful news about Senator Stevens and the ugly weather in Bristol Bay - I just wanted to check in and make sure the meetings are still on schedule before we have staff travel in from Anchorage and Juneau. I hope you are well.
